ClearStreak

Keep your daily habits, streaks, and recovery milestones privately on your phone — data over shame, zero accounts.

UP & RUNNING IN 60 SECONDS — EXACT REAL-SCREEN WALKTHROUGH

Real ClearStreak phone screen: track Streak Doing or Days Not Doing, keep Lifetime Days intact after an off-day, and tap Reset anytime.

1 Name Your Focus (Home → +)

Pick Streak Doing (building a routine like running, study, or prayer) or Days Not Doing (stepping away from sugar, scrolling, or drinking).

2 Log Today in 2 Taps (Check In → Clear & Steady)

Check in privately in seconds. Logging an Honest Off-Day records reality without ever wiping out your Lifetime Days or earned milestone coins.

3 Bolt On Your Voice (Settings → Focus Packs)

Toggle For His Grace plain-language daily verses (included free), claim your 1 Included Choice Pack, or turn all packs off for pure tracking.

10-Second Tip: Put ClearStreak on Home Row 1 So You Never Forget

Long-press your Android™ Home Screen → tap Widgets → choose ClearStreak → drag the discreet streak tile onto Row 1.

YOUR EVERYDAY 30-SECOND RHYTHM

1. Morning or Evening Check-In

Pair your 2-tap check-in with coffee or brushing your teeth. Your swipeable Daily Focus card greets you with only the voices you bolted on.

2. Hard Moment? Tap Reset (Free Forever)

Feel an urge or wave of stress? Open Reset for rhythmic 4×4 Pocket Anchor haptic breathing and one-tap calls to your Rescue & Support Contacts.

3. Off-Days Never Erase Your Work

Traditional streak apps punish 60 good days with a big red zero. ClearStreak preserves your Lifetime Days and Personal Best permanently.

4. Instant Fingerprint Privacy Lock

Turn on Biometric Lock in Settings so your journeys stay encrypted on this phone — zero accounts, zero cloud servers, and zero ad trackers.

Bolt-On Focus Packs That Meet You Where You Are

There are many ways to succeed when adding or breaking a habit. We don't presume to know all of them — what we know is making daily focus simple, calm, and private. Focus Packs bolt seamlessly onto ClearStreak to meet you where you are, not where others say you should be. No shame, your data, and your privacy.
